

Rivierans May Seek Torrance Mailing Address

Hollywood Riviera residents will discuss petitioning the Post Office Department to have their mailing address changed to Torrance, at the regular monthly meeting of the Homeowners Assn. to be held June 4 at 8 p.m., at the Riviera School.

Though legally a part of Torrance, the district has a mailing address of Redondo Beach. Also on the agenda for the meeting are reports on the progress of petitions for Sewer District 3. It is hoped to have a list posted at the meet-

ing of all property owners from whom easements will be necessary for construction of sewers in District 2. All residents of the area are urged to attend the meeting.

Longren Aircraft Gets Parts Certification

Longren Aircraft Company has received a certification on the Part 03 of the civil air regulation for the L-13 airplane. Longren undertook extensive modification on the wings, landing gear, empennage and power plant. The CAA commercially licensed aircraft will be known as the Longren L-13.

Sanderson Goes For Long Walk

Democrat candidate for Supervisor, Roy R. C. Sanderson, went for a walk this week—a 90-mile walk.

Starting out in Malibu Monday, Sanderson headed down through the Fourth Supervisorial District on foot, making the first leg of an itinerary which is supposed to bring him down through Santa Monica, Culver City, Inglewood, the beach cities, and Torrance by today, and up through Long Beach, Compton, and Maywood tomorrow. "As long as our feet hold out, we'll walk the entire

ROUND THE RIVIERA

Three Area Students Scheduled For College Graduation Honors

By EM FRENCH FR 5-1390

June means graduation, and this week the Riviera column salutes college graduates, three of whom are Daye Denham, Nancy Ruth Miller, and Sandra Scott Walker.

Daye, the daughter of Mr. and Mrs. Clyde Denham Jr., 341 Paseo De Gracia, will be graduated from Stanford, June Fourth District," Sanderson said. "And as long as our hands hold out, we'll shake hands with every voter who comes along."

17, but will return next year for post-graduate work.

The Henry Miller family, 155 Via Los Miradores, have a double reason for a trip to Redlands, June 3. Nancy Ruth's graduation from the University of Redlands, and Florence's class reunion. Nancy Ruth, who majored in speech, has lived in the Riviera since she was five months old.

Sandra Scott Walker will be graduated June 8. As Sandra Scott she attended Torrance High and then went to Occidental College for two years. As Mrs. Harry W. Walker she has completed her studies at Long Beach State. Harry, Sandra, and their 20-month-old daughter, Terry, have an apartment in Harbor City. Harry is stationed at Ocean-side, but will "be out" in July.

The 12 members of Girl Scout Troop 110 will receive the Curved Bar, the highest award in Intermediate Scout-ing, at the Court of Awards

which will be held at the Torrance Civic Auditorium, June 1, at 8 p.m.

These girls have worked six or seven years to earn this award. They have acquired proficiency in the outdoor field which includes a full week of pioneer camping.

Mrs. Emil Huskamp and Mrs. F. D. Parmer are the leaders of the troop. Mrs. Huskamp has been with the girls since their Brownie days. The girls are Lynn Burman, Ann Davis, Joleyn Ferrell, Ada Dot Hayes, Jean Huskamp, Sandra Kratzer, Joyce Law, Katherine Moore, Adele Mullen, Ann Parmer, Lynn Satterlee, and Sherrill Smith.

Hostesses, this week, last week, and to be . . . Janet Zuber, 504 Via La Selva, was hostess to 52 girls and boys Saturday night. Her party followed a hayride to which the girls of the Silhouettes and the Hi-Toppers (two YWCA organizations) invited their "b.f.s."

Mr. and Mrs. Hull and Mr. and Mrs. Dutton attended the hayride and party as advisors . . . Getrude Connelly, 113 Via El Chico, was hostess last week to a get-acquainted-come-asyou-are breakfast, given by the St. Barbara Guild 11 of the St. Lawrence Church. Fourteen women were there, and they think maybe 16 or 18 children. (Did you ever try to court 16 or 18 wiggly children who had been snatched up and taken to a party before they had their breakfast . . . The Newton Elementary School 8th grade mothers will be hostesses to the graduates at a party following the graduation exercises, which will be held on Wednesday, June 13, at 8 p.m. The principal, Webster Smith, and the four room mothers, Mesdames Paul Shopper Jr., Joe Czarke, Donald Hauser, and Eleanor Fisher met at the home of the latter Wednesday to plan the party.

Celebrating last week . . . Marjuth Russell, 213 Calle de Madrid, saw the Ice Capades on her 10th birthday.

Visiting out of town . . . Mr. and Mrs. Ernest Hoyt, 825 Calle Miramar, visited their daughter and her husband and three children in Reno, Nev. . . The Donald Hauser family, 169 Poseo De Las Delicias, visited Mickey's mother and father, Mr. and Mrs. Nick Arico, at their avocado ranch in Fallbrook Sunday.

Moving . . . Mr. and Mrs. Richard Caldwell and children, Richard Jr., and Roger, moved from 108 Paseo De Granada to Westfield Saturday . . . The Leif Egasa family moved from 165 Paseo De Las Delicias to Rolling Hills Wednesday . . . The Muri Parricks, 457 Calle Mayor, have temporarily left the Riviera for a six months stay at Twin Lakes.

Apologies and best wishes . . . the former to Mr. Norman Wiley, because I've never mentioned the fact that he moved into 316 Pasqual, some time ago, and the latter to his wife Margaret, for a speedy recovery from her recent major operation. Inidentally the Wileys don't like our Pasqual triangle either.

SAME SIZE West Virginia and Oeylon are about equal in area.
